Safety Lecture

Transforming Systems to Improve Child Health

Presented by

Uma R. Kotagal, MBBS, MSc

Senior Executive Leader, Population and Community Health

Senior Fellow, Cincinnati Children's Hospital Medical Center

Despite many advances, the United States continues to lag in major outcomes of Children's Health. This presentation will describe proven approaches to transform health and healthcare.

Learning Objectives

Attendees of this session will be able to:

1. Describe leadership needs for large system change
2. Articulate the importance of integrating research and improvement science
3. Identify the application and measurement of evidence-based care

Accreditation Information:

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint providership of INOVA and Children's National Medical Center. The INOVA Office of Continuing Medical Education is accredited by the MSV to provide continuing medical education for physicians.

The Inova Office of Continuing Medical Education designates this live activity for a maximum of 1 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity. Physicians may claim up to 1 credit in Type 1 CME on the Virginia Board of Medicine Continued Competency and Assessment Form required for renewal of an active medical license in Virginia.
