The Stars Are Aligned: Pediatrics and Public Health in a Changing Healthcare System

Presented by

Joshua M. Sharfstein, MD

*Former Secretary of Health for the State of Maryland
Associate Dean for Public Health Practice and Training,
Johns Hopkins Bloomberg School of Public Health*

Healthcare is moving past “fee for service” payment to a wide range of different financial models. Supporters say that new incentives are encouraging more prevention and better outcomes. Skeptics worry that the most vulnerable could be left behind. All agree healthcare is in transition. Using multiple examples and interactive dialogue, this lecture will explore what these changes mean for collaboration between clinical medicine and public health for the health of children.

Learning Objectives:

Attendees of this session will be able to:

1. Describe changing financial incentives in healthcare
2. Discuss the opportunities for healthcare and public health to collaborate to advance children's health
3. Identify specific ways that healthcare organizations can establish innovative relationships with public health

Accreditation Information:

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of INOVA and Children's National Medical Center. The INOVA Office of Continuing Medical Education is accredited by the MSV to provide continuing medical education for physicians.

The Inova Office of Continuing Medical Education designates this live activity for a maximum of 1 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity. Physicians may claim up to 1 credit in Type 1 CME on the Virginia Board of Medicine Continued Competency and Assessment Form required for renewal of an active medical license in Virginia.
