

Hospital Grand Rounds

*Stay up-to-date, learn about new developments,
meet leaders in health innovation, and get to know your colleagues.*

8:00 am-9:00 am, Children's National Auditorium, 2nd Floor Main

Wednesday, April 6, 2016

Richard M. Schisgall, MD Memorial Lecture

What's New in Motility Disorders?

Presented by

Carlo Di Lorenzo, MD

*Chief, Division of Pediatric Gastroenterology, Hepatology
and Nutrition, Nationwide Children's Hospital*

Gastrointestinal motility disorders are highly prevalent and may involve any segment of the gut. Treatment of motility disorders is best achieved within a multidisciplinary model, with gastroenterologists, nutritionists, psychologists, surgeons, and other health care personnel working together.

Learning Objectives

Attendees of this session will be able to:

1. Identify clinical presentations of motility disorders
2. Recognize how to test for motility disorders
3. Treat motility disorders

Accreditation Information:

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint providership of INOVA and Children's National Medical Center. The INOVA Office of Continuing Medical Education is accredited by the MSV to provide continuing medical education for physicians.

The Inova Office of Continuing Medical Education designates this live activity for a maximum of 1 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity. Physicians may claim up to 1 credit in Type 1 CME on the Virginia Board of Medicine Continued Competency and Assessment Form required for renewal of an active medical license in Virginia.
