Hospital Grand Rounds

*Stay up-to-date, learn about new developments,
meet leaders in health innovation, and get to know your colleagues.*

8:00 am-9:00 am, Children's National Auditorium, 2nd Floor Main

Wednesday, September 28, 2016

State of Emergency Preparedness at Children's National

Presented by

Kathy Chavanu Gorman, MSN, RN, NEA-BC

*Executive Vice President of Patient Care Services, Chief
Operating Officer, Children's National*

Joelle Simpson, MD

*Medical Director for Emergency
Preparedness, Children's National*

The world changed on Sept, 11, 2001. 15 years later, we at Children's National have responded to all types of emergencies including emerging infectious diseases, natural disasters and mass casualty events. As one of the world's leading pediatric health systems which cares for more than 400,000 children annually in the nation's capital we have taken the lead on prioritizing children in emergency preparedness planning locally, nationally and internationally. This presentation reviews the past, present and future for emergency preparedness at Children's National.

Learning Objectives:

Attendees of this session will be able to:

1. Review pivotal events in emergency preparedness locally, nationally and globally since 9/11
2. Describe current emergency preparedness threats, gaps and opportunities for Children's National
3. Identify 2016-2017 emergency preparedness priorities and goals for Children's National
4. Highlight opportunities for individual, unit and hospital wide improvements in preparedness

Accreditation Information:

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint providership of INOVA and Children's National Medical Center. The INOVA Office of Continuing Medical Education is accredited by the MSV to provide continuing medical education for physicians.

The Inova Office of Continuing Medical Education designates this live activity for a maximum of 1 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity. Physicians may claim up to 1 credit in Type 1 CME on the Virginia Board of Medicine Continued Competency and Assessment Form required for renewal of an active medical license in Virginia.
