9:15-10:15am

SZI Research Conference Room,  
6<sup>th</sup> Floor Main, Room M7607

## Global Health Justice, Politics and Human Rights in the AIDS Pandemic –Getting to Zero

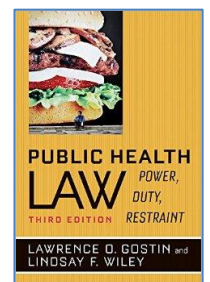

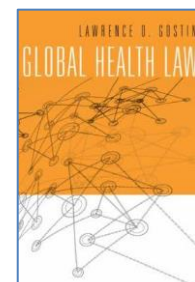

*Presented by*

**Lawrence O. Gostin**

*University Professor, Founding O'Neill Chair in Global Health Law, Faculty  
Director, O'Neill Institute for National and Global Health Law,  
Georgetown Law*

*Director, World Health Organization Collaborating Center on Public  
Health Law & Human Rights*

*Co-Author of Public Health Law: Power, Duty, Restraint*

### Learning Objectives:

*Attendees of this session will be able to:*

1. Identify the dual concepts of global health with justice. It is possible to achieve one without the other, but we need both, and attendees will understand why.
2. Describe the early history of the AIDS Pandemic, including the vital role of social mobilization and civil society action.
3. Explain the ethical dilemmas posed by the AIDS Pandemic and the policy solutions to ensure effective prevention, harm reduction, and treatment of HIV/AIDS.

#### Accreditation Information:

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint providership of INOVA and Children's National Medical Center. The INOVA Office of Continuing Medical Education is accredited by the MSV to provide continuing medical education for physicians.

The Inova Office of Continuing Medical Education designates this live activity for a maximum of 1 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity. Physicians may claim up to 1 credit in Type 1 CME on the Virginia Board of Medicine Continued Competency and Assessment Form required for renewal of an active medical license in Virginia.
