*Stay up-to-date, learn about new developments,
meet leaders in health innovation, and get to know your colleagues.*

8:00 am-9:00 am, Children's National Auditorium, 2nd Floor Main

Friday, September 30, 2016

Special Friday Lecture

Pediatrics to Policy

Presented by

The Honorable

Ralph S. Northam, MD

Lieutenant Governor, Commonwealth of Virginia

Neurologist, Children's Hospital of the King's Daughters

Followers of Virginia politics know the Lieutenant Governor presides over the Senate and casts tie-breaking votes, but what they may not know is that in addition to his government service, Ralph Northam is also a pediatric neurologist, practicing at Children's Hospital of the King's Daughters in Norfolk, VA. Dr. Northam will discuss pediatric concussions and the intersection of clinical work and legislation in the pursuit of effectively treating children.

Learning Objectives:

Attendees of this session will be able to:

1. Recognize and manage concussions, including workup and when to return to sports activities
2. Describe the pathophysiology of concussions
3. Discuss the importance of pediatric healthcare advocacy
4. Identify relevant pediatric laws that have been passed in the last ten years

Accreditation Information:

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint providership of INOVA and Children's National Medical Center. The INOVA Office of Continuing Medical Education is accredited by the MSV to provide continuing medical education for physicians.

The Inova Office of Continuing Medical Education designates this live activity for a maximum of 1 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity. Physicians may claim up to 1 credit in Type 1 CME on the Virginia Board of Medicine Continued Competency and Assessment Form required for renewal of an active medical license in Virginia.
