

Hospital Grand Rounds

Stay up-to-date, learn about new developments,
meet leaders in health innovation, and get to know your colleagues.

8:00 am-9:00 am, Children's National Auditorium, 2nd Floor Main

Wednesday, May 4, 2016

Arnold Einhorn Lecture

Leveraging 21st Century Science to Create a New Pediatric Framework for Health Promotion and Disease Prevention

Presented by

Jack P. Shonkoff, MD

Julius B. Richmond FAMRI Professor of Child Health and Development, Harvard T.H. Chan School of Public Health and Harvard Graduate School of Education; Professor of Pediatrics, Harvard Medical School and Boston Children's Hospital; Director, Center on the Developing Child at Harvard University

Explore how advances in neuroscience, molecular biology, and epigenetics can help launch a new era in early childhood policy and pediatric practice—one that is driven by science and fueled by a culture of innovation.

Learning Objectives

Attendees of this session will be able to:

1. Master the basic concepts of early brain development and the biology of adversity.
2. Understand how advances in science can be leveraged to develop more effective strategies to reduce the intergenerational transmission of disparities in learning, behavior, and both physical and mental health.
3. Understand how adopting a culture of innovation in the delivery of health care, education, and human services is essential for achieving breakthrough outcomes for young children and families facing adversity

Accreditation Information:

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint providership of INOVA and Children's National Medical Center. The INOVA Office of Continuing Medical Education is accredited by the MSV to provide continuing medical education for physicians.

The Inova Office of Continuing Medical Education designates this live activity for a maximum of 1 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity. Physicians may claim up to 1 credit in Type 1 CME on the Virginia Board of Medicine Continued Competency and Assessment Form required for renewal of an active medical license in Virginia.
