Advanced Practice Graduate Nursing Student Clinical rotation site opportunities and availability will **vary per semester**.

With consideration for your personal schedule and personal goals, please submit individual requests for each clinical rotation. Please also rank your top 5 experiences in order of preference in your My Clinical Exchange <https://www.myclinicaexchange.com/studentlogin>

application survey. These preferences are not guaranteed, but are taken into consideration.

It is recommended placement options be discussed with clinical faculty prior to submission to ensure the placement request meets clinical course requirements.
