

# ORIGAMI HEART POCKET

## Materials:

- Origami/decorative paper
- Scissors
- Strips of paper for inserts (optional)

## Instructions

**Step 1.** Cut your paper into 4" x 6" rectangles. You can make them bigger just use this ratio dimension.

**Step 2.** Fold in half lengthwise; cut a semicircle at top as shown.

**Step 3.** Fold the paper up to the top of the semi-circle. Take the bottom corner and fold them to the center on both sides and then fold the remaining strip down over them. Tuck the back flaps behind to secure. If you like you add secret messages inside.
