Psychiatry & Behavioral Sciences
New Patient Intake Packet
Dear Parent or Guardian,

Thank you for choosing Children’s National Health System for your child’s care. Per your request, I am sending you the new patient intake packet. We have a wide variety of general and specialized psychiatric services available in our department. We are an academically driven program that incorporates trainees at every level of clinical services.

We have a detailed intake process that is designed to improve efficiency and provide the best service possible. In order to set up an appointment and receive an appropriate evaluation for your child, we ask that you carefully fill out all of the enclosed forms as completely as possible and return to us. Once we receive your packet, our team will review the information to determine the appropriate clinician and appointment for your child and contact you to make an appointment.

Please include when returning:
1. A copy of your child’s most recent physical exam and immunization records
2. A copy of the front and back of your child’s insurance card

Please note:
- We see children from ages 2 to 17 ½ years old.
- For all forensic and court ordered cases, please pursue appropriate community resources.
- Currently the Psychiatry and Behavioral Medicine Division Out-Patient Clinic is out of network with the following insurances and any appointment scheduled will be self-pay: BCBS HMO, CIGNA and Straight VA Medicaid.

Please be advised the appointments that we schedule are located at our main campus in Washington, DC.

Methods for returning your packet are as follows:

Email: psynewappointmentreq@childrensnational.org

Mail: Children’s National Health System
Division of Psychiatry & Behavioral Medicine Outpatient Clinic
111 Michigan Ave NW, West Wing Floor P1
Washington, DC 20010

Fax: 202-476-5537
Thank you for choosing Children's National Health System for your child’s care.

INFORMATION ALL PARENTS SHOULD KNOW ABOUT MENTAL HEALTH INSURANCE COVERAGE

Children’s National Health System’s Outpatient Psychiatry Department provides in-network services for a wide variety of insurance providers. We also provide documentation of billing and services if you prefer out-of-network coverage.

Please note that mental health coverage is frequently very different from other types of medical coverage. Benefits allowed by your insurance provider are frequently subject to change. We strongly encourage you to contact your insurance provider or benefits administrator to verify the specific mental health services covered by your insurance plan.

- **Verification of mental health benefits and preauthorization for services**: As a courtesy to you, we obtain information regarding your mental health benefits and preauthorization before your first visit. You will be provided with the information we are given by your health plan and we encourage you to refer to your policy manual or call your plan to confirm the information provided to us.

- **Co-payments**: Costs are often a percentage of the charges incurred instead of a fixed dollar amount. Information about co-payments for mental health services is rarely listed on an insurance card but can be obtained by calling your plan.

- **Deductibles**: Mental health services can have different deductible requirements than other medical services covered by your insurance plan. If the deductible required by your plan has not been reached at the time of your appointment, we may need to collect the full amount for services at the time of your appointment.
• **Referrals**: If your child is covered by a managed care insurance plan requiring referrals, you must obtain referral forms from your child’s primary care physician prior to your visit. Please note that if a written referral is a requirement of the insurance company we must adhere to the plan’s administrative requirements in order to receive payment on your behalf.

• **Limits**: Mental health benefits can have limits to benefits paid per calendar year or plan year. Please consult your policy manual regarding your maximum calendar year or plan year benefits.

• **Testing**: Neuropsychological, psychological, and developmental testing benefits are verified by our staff. Most insurance companies limit the number of testing hours benefits will cover. If your child requires testing beyond the number of hours authorized, you have the option of paying for the additional hours required for testing.

**ADDITIONAL SERVICES**

The services listed below are not part of the services offered in the Psychiatry and Behavioral Sciences Division. Contact information for additional services listed below:

Medical Records: 202-476-5267

---

Division of Psychiatry and Behavioral Sciences, Washington, DC
Welcome to Children’s National Health System. We are delighted your family has chosen to receive care here and we look forward to working with you and your family. In the Division of Psychiatry and Behavioral Sciences we provide a vast array of services. Currently, the Division of Psychiatry does not provide forensic services to children, adolescents, and their families. Disputes between parents regarding custody and visitation matters are considered forensic matters and are beyond the scope of services that we provide. However, in families in which divorce has already occurred and where care is not being sought as part of a dispute over custody or visitation we will ask for a copy of the legal custody rights of the parents in order to delineate which parent has the ability to legally consent to a psychiatric evaluation and ongoing treatment. If both parents share legal custody, both parents will be asked to participate in the psychiatric evaluation and ongoing treatment of the child. When possible, the best care of the child is optimally provided when both parents are able to participate in their child’s care.

DEPARTMENT OF PSYCHIATRY & BEHAVIORAL SCIENCES
CONSENT TO RECEIVE OUTPATIENT MENTAL HEALTH SERVICES

I give consent for my child, ________________________________, to receive outpatient mental health services and at the Children’s National Health System’s Department of Psychiatry and Behavioral Sciences. Outpatient mental health services include one or a combination of the following: evaluation, individual therapy, group therapy, family therapy, psychological or neuropsychological testing, and medications. I consent to allow my child to participate in program activities directly associated with his/her mental health evaluation and treatment, and as appropriate, to involve my child’s family members. I authorize Children's National Health System to review my child’s medical record for teaching purposes. I understand that all the personal information that I provide about my child and our family will remain confidential and any published data will keep the identity of my child and family confidential. I declare that I am this child’s legal guardian.

DISCONTINUATION OF TREATMENT POLICY

**NO SHOW POLICY:** All new and follow-up appointments must be cancelled at least 24 hours prior to the appointment time. Cancellation or reschedule requests on the day of the appointment are considered NO SHOW appointments.
Please be aware that the Department of Psychiatry and Behavioral Sciences may discontinue your child’s treatment for any of the following reasons:

- Achievement of treatment goals.
- Failure to appear for two or more appointments within a two-month period, without at least a 24-hour notification.
- Being consistently late for appointments or consistently cancelling appointments.
- Not participating in treatment for a period of 90 consecutive days.

I hereby certify that I have been informed of my rights and responsibilities and of the grievance procedures as a client of Children’s National Health System’s Department of Psychiatry and Behavioral Sciences.

___________________________________________________________________________
Parent or Guardian Signature                                                            Date

___________________________________________________________________________
Staff/Witness Signature                                                                       Date

As a patient in Children’s National’s Department of Psychiatry, you and your child have a right:

- To be treated with dignity and respect.
- To receive the most appropriate treatment regardless of age, gender, race religion, sexual orientation, national origin, or method of payment.
- To know what fees will be charged for your child’s treatment in advance.
- To know the name and professional status of those persons providing your child’s treatment.
- To participate in the development of a comprehensive Individual Treatment Plan (ITP) and to receive treatment according to this treatment plan.
- To be informed of any possible side effects of prescribed medication.
- To privacy and confidentiality concerning your child’s treatment and his/her medical record. Information from your child’s record will be released only with your written permission. However, all Children’s National Department of Psychiatry staff involved with your child’s treatment will share information with one another.
- To be free from physical, mental and sexual abuse or harassment.
- To be free from intrusive research.

Division of Psychiatry and Behavioral Sciences, Washington, DC
To have your concerns addressed in a timely manner, generally at the point of service, without fear of retaliation.

To file a confidential verbal or written complaint regarding your child’s treatment. An impartial investigation will be initiated within 24 hours of receipt of complaint. Complaints may be filed up to 30 days from date of discharge. All complaints to Children’s National Health System will be resolved within 30 days of the date of complaint. To file a complaint, you may:

1. Start informally by contacting the Team Leader or any staff member in the clinic location where your child is receiving treatment. If your claim is not resolved in five (5) business days, you may contact
   a. The Department of Psychiatry’s Program Manager at (202) 476-3935 and/or the Medical Director at (202) 476-3932. If your complaint remains unresolved after (10) business days, you may contact;
      i. The Children’s National Health System Family Services Department at (202) 476-3070. If your complaint is not resolved after five (5) business days, you may;

Contact any of the following health advocacy groups to obtain assistance in resolving any complaints about the services you received at Children’s National Health System Department of Psychiatry:

- On Our Own at 1-800-704-0252
- Maryland Attorney General’s Office, Health Advocacy Office at (410) 528-1840

If your child is covered under Maryland Medicaid and your concerns remain unresolved after notifying the Children’s National Health System staff, you have the right to file a complaint or grievance with the Maryland Public Mental Health System (PMHS). Contact information for PMHS as follows:

- Maryland Health Partners at 1-800-888-1965.
- The Core Service Agency in the consumer’s county of residence. (Please contact our staff for assistance in obtaining the telephone number).
- Maryland Mental Hygiene Administration at (410) 767-6611.
As a patient in the Department of Psychiatry, you have a responsibility:

- To keep your appointment or notify the Department of Psychiatry of any changes as early as possible.
- To collaborate in the development of your child’s Individualized Treatment Plan.
- To work toward the achievement of your treatment goals.
- To be honest with staff by sharing anything that might impact your child’s treatment.
- To obtain all necessary treatment referrals from your child’s primary care physician and from your health plan.
- To pay your fees on time/or discuss with staff any related financial difficulties.
- To promptly provide information regarding the loss or gain of third party benefits or income.
- To let staff know if you are dissatisfied in any way with your child’s treatment.
- To inform staff of your desire to terminate treatment, especially if you have not achieved your treatment goals.
