No Grip on Reality

A Look at an Anti-Vaccine Battle

Behind, and the War Ahead

Todd Wolynn, MD, MMM, IBCLC | Chad Hermann, MA, PhD ABD
At Kids Plus, we're thrilled to provide the HPV vaccine. In this video, our providers tell you why.
Is this some kind of joke? This vaccine kills people.

2. Turn Off Facebook Ratings
3. Disable Visitor Posts
4. Call in Reinforcements
5. Notify Yelp (for Business Owners)
6. Twitter DM @GoogleMyBiz
7. Watch Your Facebook Terror Attack Survival Plan
Science is not a body of facts. [It] is a method for deciding whether what we choose to believe has a basis in the laws of nature or not. — Marcia McNutt, Editor of Science, National Geographic, March 2017
are always provisional, susceptible to being overturned by some future experiment or observation... Uncertainty is inevitable.

Joel Achenbach, Staff Writer, National Geographic, March 2017
to join in a secret agreement to commit a wrongful act
Conspire
an explanation of an event or situation that involves a harmful act carried out by powerful actors... that often contradicts prevailing understanding of history or simple facts.
