

DAISY NOMINATION FORM- Nominate an EXTRAORDINARY NURSE

What is The DAISY Award?

The DAISY Award is an international program that rewards and celebrates the extraordinary clinical skill and compassionate care given by nurses everyday. The DAISY Foundation was established in 1999 by the family of J. Patrick Barnes who died of complications of the auto-immune disease Idiopathic Thrombocytopenia Purpura (ITP). The Barnes Family was awestruck by the clinical skills, caring, and compassion of the nurses who cared for Patrick, so they created this national award to say Thank You to nurses everywhere.

I would like to nominate _____ (*Nurse's Name*)
_____ (*Employee ID Number*) from the _____ unit/department as a
deserving recipient of The DAISY Award. This nurse's clinical skill and especially her/his compassionate care exemplify the kind of nurse that our patients, their families, and our staff recognize as an outstanding role model.

Please describe a specific situation or story that clearly demonstrates how this nurse made a meaningful difference in your care.

Thank you for taking the time to nominate an extraordinary nurse for this award. Please tell us about yourself, so that we may include you in the celebration of this award should the nurse you nominated be chosen.
