## Program Description

Join the award winning Magnet® designated Registered Nurses and Licensed Practical Nurses of Children's National Health System for the upcoming conference: **The Future of Ambulatory Nursing: Doing it Differently, Better, and With Purpose.** The conference promises to offer you an opportunity to discover new knowledge regarding practice and professional enhancement, collaborate across practice settings, and network with ambulatory colleagues through simulation, scenarios, and case studies.

Ambulatory Topics Include:

- The future of healthcare
- Medical home and speciality care
- Asthma practice update
- Outpatient surgery initiative
- Communicable diseases discussion
- Legacy mapping
- Diabetic care trends
- Autism care
- Writing to succeed techniques
- Practice with purpose
- Telehealth nursing

## Target Audience

- Registered Nurses and Licensed Practical Nurses working in the Ambulatory Care arena
- Registered Nurses practicing in a Telehealth role
- Nurses pursuing a career in outpatient services

### Course Objectives:

- Explore the current and future landscape of Ambulatory Care on a national, regional, and local level.
- Engage in active learning that supports transformational practice in primary and specialized ambulatory setting.
- Discuss opportunities for nurses to practice with purpose in the ambulatory setting.

**Nursing contact hours will be awarded for this conference**

**Children's National Medical Center is an accredited provider of continuing nursing education by the American Nurse Credentialing Center Commission on Accreditation.**
