At Children’s National Health System, our physicians and researchers have pioneered treatments used around the world to cure cancer in children. One of our scientists helped identify the gene that causes the most common type of muscular dystrophy. And our team performs nearly 15,000 surgeries a year on children—from babies a few hours old to teenagers.

If we could bring this world-class care to your home, we would. Instead, we have done the next best thing by providing the same quality of care as the hospital, only closer to your home in our Regional Outpatient Centers or affiliated practices.

The Montgomery County location has a state-of-the-art, adventure-themed Imaging Center as well as the Ambulatory Surgery Center, with two operating rooms for outpatient surgeries. Children’s National guarantees a pediatric-trained anesthesiologist 24/7.

Regional Outpatient Center

Montgomery County

At Children’s National Health System, our physicians and researchers have pioneered treatments used around the world to cure cancer in children. One of our scientists helped identify the gene that causes the most common type of muscular dystrophy. And our team performs nearly 15,000 surgeries a year on children—from babies a few hours old to teenagers.

If we could bring this world-class care to your home, we would. Instead, we have done the next best thing by providing the same quality of care as the hospital, only closer to your home in our Regional Outpatient Centers or affiliated practices.

The Montgomery County location has a state-of-the-art, adventure-themed Imaging Center as well as the Ambulatory Surgery Center, with two operating rooms for outpatient surgeries. Children’s National guarantees a pediatric-trained anesthesiologist 24/7.

Regional Outpatient Center, Ambulatory Surgery Center, and Imaging Center
Shady Grove Medical Park
9850 Key West Avenue
Second, Third, and Fourth Floors
Rockville, MD 20850
Phone: 301-765-5400
1-800-787-0243
Fax: 301-294-0897

Ambulatory Surgery Center:
301-765-5500
Imaging Center: 301-765-5700

Directions:
FROM THE CAPITAL BELTWAY (495): Take Exit 35/Route I-270 North towards Frederick. Take Exit 6B, Maryland Route 28 West. This will become Key West Avenue. After 2.5 miles cross Great Seneca Hwy. Shady Grove Medical Park is on the left.*

*For GPS users, please use the following address to get to the parking lot for our building: 14825 Physicians Lane
Rockville, MD

Neuropsychology, Center for Autism Spectrum Disorders, and SCORE Concussion Program
15245 Shady Grove Rd.
Suite 350
Rockville, MD 20850
Phone: 301-765-5430
Fax: 301-765-5497

Directions:
FROM POINTS SOUTH: I-270 North towards Frederick. Take exit 8, stay in left lane. Turn left onto Shady Grove Rd. After crossing over I-270, turn left at second light onto Corporate Blvd. Take the first or second left turn into the parking area.

FROM POINTS WEST: I-270 South. Take exit 8 for Shady Grove Rd. Stay in the left of the two right-hand turn lanes. After turning right onto Shady Grove Rd., get in the far left lane and make a left onto Corporate Blvd. at the first light. Take the first or second left turn into the parking area.
