

Children's National.

Now Available on MyChildrensNationalPortal

Self-enrollment

**The self-enrollment resource is only available to select Children's National providers as part of a pilot project at this time. We will communicate when additional caregivers are accessible.*

Self-enrollment

Self-enrollment allows specialty care patients and families who have not yet joined MyChildrensNationalPortal to enroll online at your convenience. We are excited for you to gain secure, convenient access to your health care information and provider team.

Patients under 13 years old

If you or your child is under 13 years of age, please stop by our front desk and ask for an invitation to the patient portal. You will receive an email with an invitation and instructions for accessing your portal.

How to Self-enroll

- Visit <http://ChildrensNational.iqhealth.com/self-enroll>
- Fill out all **required fields** on the form.
- You will be asked for your **Medical Record Number (MRN)**. This number identifies you in the Children's National electronic medical record.

MRN: _____

- Click **Next** to complete your enrollment.
- The next time you log into the portal, you can visit ChildrensNational.org/portal and click the "MyChildrensNationalPortal" button under Specialty Care.
