

When a child is in the hospital, they need more than just world-class medical expertise. They need to imagine, play, and be creative. Together, we can ensure that kids get the best care possible, without having to give up their childhood.

Olivia,  
age 13

- \$1 8 Micro-Preemie Diapers
- \$3 Arm Sling
- \$9 Instrument for Music Therapy
- \$12 Toiletry Kit for Parents
- \$23 Breast Pump for Nursing Mom
- \$42 One Day of Meal tickets for a Parent
