The Global Health Initiative Presents

Global Health in Jeopardy: An Interactive Introduction

Presented by

Scott A. Norton, MD, MPH, MSc

*Chief of Dermatology, Children's National
Professor of Dermatology and Pediatrics,
The George Washington School of Medicine*

As part of Global Health Week, and as Children's National launches its Global Health Initiative, join us to learn more about major issues in pediatric global health, presented in a Jeopardy game format.

Learning Objectives

Attendees of this session will be able to:

1. Identify the major themes in pediatric medicine that are being addressed by global health programs.
2. Discuss opportunities and challenges to developing global health programs, such as telehealth and train-the-trainer.
3. Explain echelons of involvement in Global Health Initiatives, such as direct service or building capacity.

Accreditation Information:

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint providership of INOVA and Children's National Medical Center. The INOVA Office of Continuing Medical Education is accredited by the MSV to provide continuing medical education for physicians.

The Inova Office of Continuing Medical Education designates this live activity for a maximum of 1 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity. Physicians may claim up to 1 credit in Type 1 CME on the Virginia Board of Medicine Continued Competency and Assessment Form required for renewal of an active medical license in Virginia.
