

Children's National™

Hospital Grand Rounds

*Stay up-to-date, learn about new developments,
meet leaders in health innovation, and get to know your colleagues.*

8:00-9:00 am Children's National Auditorium, 2nd Floor Main

Wednesday, March 9, 2016

Richmond Paine Lecture

How Genetics & Pathophysiology Can Help Determine Treatment Choices in Headache

Annual Pediatric Neurology Update

Presented by

Andrew D. Hershey, MD, PhD, FAHS

*Endowed Chair and Director of Neurology, Professor of
Pediatrics and Neurology, Headache Center, Cincinnati
Children's Hospital Medical Center,
University of Cincinnati College of Medicine*

Learning Objectives

Attendees of this session will be able to:

1. Better recognize and diagnose pediatric, adolescent and young adults with headaches
2. Incorporate genetic and pathophysiological findings into their diagnosis and treatment plans
3. Design and multi-level treatment approach and recognize the need for referral when this approach does not reach anticipated results

Accreditation Information:

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of INOVA and Children's National Medical Center. The INOVA Office of Continuing Medical Education is accredited by the MSV to provide continuing medical education for physicians.

The Inova Office of Continuing Medical Education designates this live activity for a maximum of 1 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity. Physicians may claim up to 1 credit in Type 1 CME on the Virginia Board of Medicine Continued Competency and Assessment Form required for renewal of an active medical license in Virginia.
