meet leaders in health innovation, and get to know your colleagues.*

8:00 am-9:00 am, Children's National Auditorium, 2nd Floor Main

Wednesday, October 19, 2016

Journey to Excellence: Patient Centered Care, Innovation, Reputation

Presented by

Kurt Newman, MD

*President and Chief Executive Officer,
Children's National*

At his Grand Rounds presentation last year, Dr. Newman invited a grateful parent to share the story of her daughter's care experience at Children's National. The story highlighted our capacity to treat very complex cases and reminded us of the need to keep the patient and family experience at the center of all we do. That day, Dr. Newman called for ideas and actions to elevate the Children's National care experience from "Good to Great."

This year's CEO Grand Rounds will highlight some of the many ways teams across the organization have stepped up to the challenge, and how we can build on that progress to move forward on our journey to excellence.

Learning Objectives:

Attendees of this session will be able to:

1. Highlight care coordination projects that are advancing our progress from "Good to Great"
2. Identify improvement metrics for patient experience, quality, and safety
3. Outline priorities for the future, including elevating our innovation enterprise and national stature

Accreditation Information:

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint providership of INOVA and Children's National Medical Center. The INOVA Office of Continuing Medical Education is accredited by the MSV to provide continuing medical education for physicians.

The Inova Office of Continuing Medical Education designates this live activity for a maximum of 1 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity. Physicians may claim up to 1 credit in Type 1 CME on the Virginia Board of Medicine Continued Competency and Assessment Form required for renewal of an active medical license in Virginia.
